Re: USA v. Kevin Crosby
Docket No. 1:19-CR-00625-JMF

Honorable Justice;

I, Dawn M. Florio, Esq., represents Kevin Crosby on the above instant matter that is dated September 2, 2021 @ 10am for in-person sentencing.

I am still recovering from my knee surgery that was on July 13, 2021. After my follow up, my physician has stated that I have to continue healing and attending physical therapy before I am able to appear for any in person court appearances. I also need additional time to meet with Mr. Crosby to prepare Defense Sentencing Memo. (See Attached Physicians Letter) I am formally requesting an adjournment for Late September or October. I apologize to the court and all parties for the inconvenience this will cause and exclude time under the Speedy Trial Act until a date has been selected. I am requesting that this application be acknowledged and considered.

Should your Honor have any questions or concerns, please feel free to contact my office at your earliest convenience.

Sincerely,

Dawn M. Florio

To Whom It May Concern:

Dawn Florio is under my care for treatment of her left knee. She has underwent left total knee replacement on 7/13/21 at NYU Langone Orthopedic Hospital.

From our medical standpoint, she should refrain from attending court hearings or trials until the end of September due to impaired mobility, severe pain, and severe swelling from recent surgery.

If there are any questions or concerns, please feel free to call the office.

Sincerely,

Ran Schwarzkopf, MD
